

## **Sunday Streets Equipment Team Member**

Livable City is San Francisco's urban land use policy and advocacy nonprofit. The organization works to create a San Francisco of great streets and complete neighborhoods, where walking, bicycling, and transit are the best choices for most trips, where public spaces are beautiful, well-designed, and well-maintained, and where housing is more plentiful and more affordable.

Livable City also runs a number of programs, including Sunday Streets, Play Streets, and Neighborfest. These programs bring communities together, promoting healthy living and active transportation to create vibrant, healthy, connected communities across the city through the format of car-free streets.

Livable City has six dedicated full-time staff, augmented by passionate interns and hundreds of annual volunteers.
